

AEG

Janitorial Services

SERVICES PROVIDED

- STAPLES Center: Day-to-day onsite project manager and staff assisting with office cleaning and periodic detail cleaning. ABM is also performing pre, during and post event clean-up with approximately 100 employees and a dedicated project manager who handles both STAPLES Center and Microsoft Theater
- Microsoft Theater: pre, during and post event clean-up with a similar structure to the STAPLES Center
- T-Mobile Arena: Day-to-day, pre, during event and post event clean-up
- Valley View Casino Center: Day-to-day, pre, during and post event clean-up

ACHIEVEMENTS AND BENCHMARKS

- AEG has chosen ABM as its partner of choice for janitorial services.
- AEG looks to ABM to ensure consistency at AEG venues with standard uniforms, high quality employees, excellent customer service protocols and management committed to exceeding operational goals and other key performance indicators.
- AEG chose ABM as a premier vendor due to its national scope and depth in facilities, along with a commitment to marketing and sponsorship.
- The ABM Green Care® Program supports AEG's global sustainability initiative: AEG 1EARTH.

VALUE RETURNED

“ABM has been an outstanding service provider and overall partner of AEG at some of our largest marquee entertainment venues. The professional courtesy, high standards of work and communication that ABM provides on a daily basis are first-class and have lead to an extremely successful relationship and one we will continue to grow in the future.”

- Nick Baker, Senior Vice President of Global Partnerships, AEG

ABM currently provides cleaning services to the following AEG properties:

- The O2 Arena in London, England
- StubHub Center
- GRAMMY Museum at L.A. LIVE
- L.A. LIVE
- AEG Corporate HQ Office Tower
