### ACHIEVEMENTS AND BENCHMARKS

- By utilizing the ABM Green Care<sup>TM</sup> Program, Cherry Creek Schools enjoys a clean, healthy learning environment.
- The cost-effective green program includes Green Seal certified chemicals, microfiber cleaning cloths and mops and high-efficiency HEPA filter vacuums.
- Cherry Creek Schools has seen an overall annual savings of \$750,000 which has allowed them to expand the security and quality control within the school district.

### VALUE RETURNED

“ABM has played a key part in introducing and continuing the successful use of the District’s green cleaning program that started in 2009. The program has contributed to lower absenteeism rates. ABM continues to partner with Cherry Creek Schools to achieve the common goal of a clean and healthy environment in our school system.”

- Facilities Operations Manager, Cherry Creek Schools

For over 25 years, ABM has provided a customized custodial program to meet the District’s quality and budget requirements.
