

Janitorial

Services Offered

- Green Cleaning and Recycling
- General Maintenance
- Carpet and Floor Care
- Clean Room and GMP Cleaning
- Staffing and Specialty Services

What's a Good Lead

- The client has in-house or outsourced janitorial personnel
- The overall general appearance of the facility is dirty – elevators, escalators, windows, flooring, sidewalks, kitchens, restrooms, etc.
- Unprofessional personnel – lack of uniforms, poor appearance, and tardiness
- No evidence of sustainability – harsh cleaning chemicals used, no green cleaning or recycling programs in place
