

ABM Showcases Facility Solutions Through Virtual Environment at CoreNet Global Summit 2019

New York City, NY – October 9, 2019 – ABM, a leading provider of facility solutions, will present a virtual environment at the 2019 CoreNet Global Summit, held in Orange County, California, from October 20-22. The interactive tool, which will be located at ABM's booth, #1013, lets corporate real estate professionals direct their own experience as they discover how facility solutions are capable of improving the impact of built environments on people, operations, and property values.

“ABM is proud to be a long-time exhibitor and Bronze Strategic Partner of CoreNet Global Summit for the fourth consecutive year,” said George Lohnes, VP of Marketing Strategy & Sales Support. “As one of the premier providers of facilities services to real estate organizations, ABM views collaboration with CoreNet as an essential way to continue to interact with and learn from professionals in this space.”

Also featured at ABM's booth will be complimentary refreshments, a lounge area with charging stations, and a raffle for gift certificates to a popular golf entertainment center.
