

ABM Wins Prestigious Gold *Learning Team of the Year* Award during the 2022 Learning Awards

With a unanimous vote, the ABM Learning & Development team was honored with highest accolade in workplace learning & development.

NEW YORK, March 18, 2022 — ABM (NYSE: ABM), a leading provider of facility solutions, announced today that it was honored with the gold award for *Learning Team of The Year* during the [2022 Learning Awards](#) presented on February 17, 2022 at the JW Marriott Grosvenor House in London. For ABM, this award reflects its commitment to the ongoing education and training of its workforce and illustrates how ABM continuously provides personalized, quality services at scale.

This year's Learning Award competition received a record number of more than 500 submissions from 81 countries. The Learning and Performance Institute (LPI), the owner and operator of the awards, assembled a collection of 54 industry leaders to form the independent judging panel that meticulously reviewed the hundreds of submissions to select the very best.

ABM achieved the highest-level gold award for *Learning Team of the Year* having the unanimous vote of all judges for its performance in providing high quality, innovation, and value – in terms of content, client support and instructional techniques – to its internal clients.

"We are focused on providing our clients with a great experience, and that experience begins with our people, and ensuring they feel supported, encouraged, and inspired to build their careers with us," said Raúl Valentin, Chief Human Resources Officer, ABM. "We recently unveiled our five-year strategic initiative named ELEVATE, designed to advance the team member and client experience through industry-leading use of data, insights and technology. How we develop and provide continual training, education and professional development is key to this strategy, as our team of over 100,000 take care of the spaces and places that matter most."

"Over the course of the pandemic, our L&D team has taken an innovative approach to learning and engagement –leveraging a combination of technology, great people and a unique engagement approach – to become a trusted partner to our enterprise," said Stephanie Findlay, Vice President, Learning & Development, ABM. "We are honored to be recognized among this prestigious community of top organizations and outstanding learning professionals."

About ABM

About the Learning Awards

Since its beginning in 1996, the Learning Awards has continually adapted to align with significant trends in L&D, and to ensure that categories represent current technologies, innovations, and people skills. It represents the pinnacle of achievement for individuals and organizations in the workplace learning sector. This year, the awards recognize excellence and innovation in L&D, celebrating exceptional individuals whose imagination and creativity have broken new ground in L&D globally over the past 12 months, and the brands and businesses that have transformed the possibilities of learning today.
