

ABM Wins 2022 CSO50 Award for its World-Class Security Strategy

NEW YORK, June 2, 2022 -- ABM (NYSE: ABM) a leading provider of facility services announced today that the Company has been named a 2022 CSO50 Award winner by IDG's CSO, the premier security media brand providing insight into business risk leadership. The prestigious CSO50 Awards recognize 50 security projects and initiatives that demonstrate outstanding business value and thought leadership. The awards are scored according to a uniform set of criteria by a panel of judges that includes security leaders, industry experts and academics.

"It is an honor to have our Zero Trust security model recognized among the top-50 security programs and initiatives in the United States. ABM was successful in adopting this cutting-edge defense strategy because of the hard work and executional excellence of our entire security team who demonstrated tremendous dedication and support for moving ABM toward a Zero Trust environment," said Stephanie Franklin-Thomas, Chief Information Security Officer, ABM.

ABM will be recognized alongside the other CSO50 Award winning companies at the annual CSO50 Conference this September in National Harbor, MD.

About ABM

ABM is one of the world's largest providers of integrated facility services. A driving force for a cleaner, healthier, and more sustainable world, ABM provides essential services that improve the spaces and places that matter most. From curbside to rooftop, ABM offers a comprehensive array of facility services that includes janitorial, engineering, parking, electrical & lighting, energy solutions, HVAC & mechanical, landscape & turf, and mission critical solutions. ABM delivers these custom facility solutions to properties across a wide range of industries – from commercial office buildings to schools, airports, hospitals, data centers, manufacturing plants and distribution centers, entertainment venues and more. Founded in 1909, ABM today has annual revenue exceeding \$6 billion and more than 100,000 team members in 350+ offices throughout the United States, United Kingdom and other international locations.
